Bowness on Windermere Treasure Hunt

Follow the route and answer the questions. **A great afternoon for all the family**. Children have fun spotting the photos. Older ones exercise your brains on harder questions.

May 2014 Edition

The route is approximately 1½ miles long and takes 1-1½ hours to complete. The only steps are on the Promenade and can be avoided so it is suitable for pushchairs and wheelchairs although there are steep hills in places.

Parking can be found along Glebe Road.

Start outside the tourist information on the junction of Glebe Road and Promenade.

All clues are visible without intruding on private areas such as gardens etc.

There is no hidden treasure (that we know of), simply answer the questions and collect the items listed on the next page to get points and the team with the most points wins. Have fun.

Disclaimer: We accept no responsibility for any loss, injury, claim, or damage of any kind resulting from, arising out of or in any way related to this treasure hunt. You and anyone participating in this treasure hunt, do so at your own risk.
