

# Haworth Treasure Hunt

Follow the route and answer the questions. **A great afternoon for all the family.**  
Children have fun spotting the photos. Older ones exercise your brains on harder questions.

March 2012 Edition

The route is approximately 2½ miles long with some steep hills, cobbled streets and steps and takes 1-2 hours to complete.

Note: the Main Street is very busy at weekends during the day and some clues may not be easily visible.

Start half way up Main Street outside the Cobbles and Clay café which is number 60, postcode BD22 8DF .

All clues are visible without intruding on private areas such as gardens etc.

There is no hidden treasure (that we know of), simply answer the questions and collect the items listed on the next page to get points and the team with the most points wins. Have fun.

Disclaimer: We accept no responsibility for any loss, injury, claim, or damage of any kind resulting from, arising out of or in any way related to this treasure hunt. You and anyone participating in this treasure hunt, do so at your own risk.
