

# Staithe's Treasure Hunt

Follow the route and answer the questions. A **great afternoon with beautiful views**. Children have fun spotting things. Older ones exercise your brains on harder questions.

September 2014 Edition

The route is approximately 1¼ miles long with some steep hills and steps and takes 1-1½ hours to complete.

Start and finish by the car park at the junction of Staithe's Lane and Whitegate Close – postcode TS13 5AD.

All clues are visible without intruding on private areas such as gardens etc.

There is no hidden treasure (that we know of), simply answer the questions and collect the items listed on the next page to get points and the team with the most points wins. Have fun.
